Personal Information

Surname(s) / First Name(s) **Mendes Rosa, Pedro Joel**
Curriculum DeGóis- Website <http://www.degois.pt/visualizador/curriculum.jsp?key=1801734276729140>
ORCID orcid.org/0000-0001-8432-1802
Address Rua Mariano Pina 17- 9º C 1500-442 Lisboa
Telephone +351 210107682 Mobile +351 965603884
Endereço(s) de correio electrónico pedrorosa.psi@gmail.com or pedro.rosa@ulusofona.pt
Nationality Portuguese
Date of birth 1077/10/09
Gender Male
Position/ Occupational field Assistant Professor/ Methodological and Statistical Consultant/ Senior Trainer/Clinical Psychologist

Work experience

Dates January 2014 - Present
Occupation and position held Researcher
Main activities and responsibilities Study of attentional processes and emotional/affective responses to emotionally valenced visual stimuli through eye tracking and psychophysiological recording.
Name and address of employer Copelabs - association for research and development in cognition and people-centric computing
Type of business or sector Association – Research Center
Dates January 2014 - Present
Occupation and position held Visiting Professor
Main activities and responsibilities Responsible for the seminar on psychophysiology and eye tracking in the post-graduation in Nueromarketing at Universidad del Norte, Barranquilla,, Colômbia
Name and address of employer Universidad del Norte, Barranquilla, Colombia
Type of business or sector University/ Private Higher Education Institution
Dates November 2013 - Present
Occupation and position held Consultant and Trainer
Main activities and responsibilities Responsible for statistical modeling, data analysis and its interpretation in experimental studies
Name and address of employer Eurotrials-Scientific Consultants, SA., Rua Tierno Galvan, 1070 Lisboa
Type of business or sector Medical Consulting Services
Dates September 2013 - Present
Occupation and position held Assistant Professor

Main activities and responsibilities	Coordinator of disciplines of Statistical Inference, Decision Making Complex Models , and quantitative data analysis in Psychology- Quantitative Methods, psychology degree
Name and address of employer	ISMAT - Instituto Superior Manuel Teixeira Gomes, Avenida Miguel Bombarda nº 15, 8500 - 508 Portimão , Portugal
Type of business or sector	University/ Private Higher Education Institution
Dates	May 2012 - Present
Occupation and position held	Methodological and Statistical Advisor
Main activities and responsibilities	Responsible for quasi-experimental and experimental designs , data analysis and its interpretation
Name and address of employer	PSICO&SOMA, Rua Miguel Bombarda, nº36, 3510-089, Viseu
Type of business or sector	Marketing Consulting and Business Incubation
Dates	April 2012 – Present
Occupation and position held	Visiting Professor
Main activities and responsibilities	Responsible for the seminar on psychophysiology, eye tracking and advanced data analysis in the PhD Program at Universidad San Buena Ventura, Medellín, Colômbia
Name and address of employer	Universidad San Buena Ventura, Medellín, Colombia
Type of business or sector	University/ Private Higher Education Institution
Dates	October 2009 - Present
Occupation and position held	Trainer on Statistics
Main activities and responsibilities	Responsible for several course contents, namely on multivariate statistics
Name and address of employer	Faculdade de Psicologia da Universidade Lusófona de Humanidades e Tecnologias, Campo Grande, 376, 1749 - 024 Lisboa
Type of business or sector	University/ Private Higher Education Institution
Dates	February 2009 - Present
Occupation and position held	Assistant (2009-2013) /Assistant Professor (2014- Present)
Main activities and responsibilities	Teaching in Systems and Decision on Statistics, Statistical Inference and Decision Making Complex Models , psychology degree Teaching in Pedagogy History, Technological Resources and Training on Psychology, General Issues in Psychopedagogy, Applied Informatics in Psychology and Statistics, clinical psychopedagogy degree Teaching in Neuropsychophysiology and Neurocognitive Rehabilitation, Master on Cybertherapy and Neurorehabilitation
Name and address of employer	Faculdade de Psicologia da Universidade Lusófona de Humanidades e Tecnologias, Campo Grande, 376, 1749 - 024 Lisboa
Type of business or sector	University/ Private Higher Education Institution
Dates	October 2008 – March 2009
Occupation and position held	Clinical Psychologist
Main activities and responsibilities	Psychological Assessment and counselling on adolescents and adults with wide spectrum psychopathologies
Name and address of employer	Clínica Médico-cirúrgica da Alameda, Alameda D. Afonso Henriques 41,5º-E, 1000-123 Lisboa
Type of business or sector	Health and Medical Services
Dates	October 2008 - October 2010
Occupation and position held	Voluntary Clinical Psychologist
Main activities and responsibilities	Psychological assessment and counselling – adult drug consumers in metadone detox program
Name and address of employer	Centro de Acolhimento de Alcântara – Ares do Pinhal, Lisboa
Type of business or sector	Private Social Solidarity Institution
Dates	October 2006 - July 2007

Occupation and position held	ICT Trainer
Main activities and responsibilities	Responsible for training course content, scheduling, operationalization and its evaluation
Name and address of employer	Escola 1º Ciclo 175 dos Olivais, em Lisboa
Type of business or sector	Education
Dates	June 2005 - September 2007
Occupation and position held	Laboratory Technician and Research Assistant at Computational Psychology Lab (LABPSICOM)
Main activities and responsibilities	3D modeling, image creation/edition and supporting all research activities related to Virtual Reality
Name and address of employer	Universidade Lusófona de Humanidades e Tecnologias de Lisboa , Av. do Campo Grande, 376 1749 - 024 Lisboa
Type of business or sector	University/ Private Higher Education Institution
Dates	February 2005 - September 2007
Occupation and position held	Laboratory Technician and Research Assistant at Experimental Psychology Lab (LABPSIEXP)
Main activities and responsibilities	Programming experiments through SuperLab Presentation Software, psychophysiological recording, experimente monitoring and software/hardware trouble shooting
Name and address of employer	Universidade Lusófona de Humanidades e Tecnologias de Lisboa , Av. do Campo Grande, 376 1749 - 024 Lisboa
Type of business or sector	University/ Private Higher Education Institution
Dates	September 2002 - November 2002
Occupation and position held	2 nd class Senior Technician
Main activities and responsibilities	Develop instruments to measure personal and social skills.
Name and address of employer	Secretariado Nacional Diocesano da Pastoral dos Ciganos - Rua Padre Abel Varzim, Lote 3 - R/C: 1800, Lisboa
Type of business or sector	NGO
Dates	March 2001 - Present
Occupation and position held	Private Tutor
Main activities and responsibilities	SPSS and ICT tutoring
Name and address of employer	Rua André de Gouveia lote 1647, 4º esquerdo retaguarda, 1750-027 , Lisboa
Type of business or sector	Education/Training
Dates	June 1999 - April 2005
Occupation and position held	Monitor
Main activities and responsibilities	Preparation, scheduling and monitoring psychopedagogical activities with pre-delinquents
Name and address of employer	Fundação "Obra do Ardina" - Rua Dr. Oliveira Ramos, 7 1900-210 Lisboa
Type of business or sector	College for Social Integration

Education and training

Dates	2008-2014
Title of qualification awarded	Doctorate Degree in Clinical and Health Psychology
Principal subjects/occupational skills covered	Thesis title "Efeitos da exposição repetida subliminar a estímulos biologicamente relevantes nos estados emocionais" [Effects of repeated subliminal exposure to biologically relevant stimuli on emotional states] (Supervisors: Francisco Esteves (Mittuniversitetet, Östersund, Sweden) and Patrícia Arriaga (ISCTE-IUL)
Name and type of organisation providing education and training	Instituto Superior de Ciências do Trabalho e da Empresa – Instituto Universitário de Lisboa (ISCTE-IUL)
Level in national and/or international classification	Ph.D. with Honour and Distinction " <i>sum cum laude</i> " (Highest attainable classification at ISCTE)
Dates	2006-2008

Title of qualification awarded Master Degree in Clinical Psychology, Counseling and Psychotherapy

Principal subjects/occupational skills covered Psychological assessment in children, adolescents, adults and elderly
Clinical diagnosis in mental health
Psychological counseling to children, adolescents, adults and elderly
Developing prevention and intervention programs for several clinical settings
Scientific research in clinical psychology

Name and type of organisation providing education and training Universidade Lusófona de Humanidades e Tecnologias em Lisboa

Level in national and/or international classification M.Sc — Dissertation "Excellent " - (Highest attainable classification at ULHT)

Dates 2004 - 2007

Title of qualification awarded Licenciante degree

Principal subjects/occupational skills covered Use of theoretical models in psychology .
Application and interpretation of psychological assessment instruments
Counseling

Name and type of organisation providing education and training Universidade Lusófona de Humanidades e Tecnologias em Lisboa

Level in national and/or international classification Overall grade point average of 15

Dates 2000 - 2002

Title of qualification awarded Post-graduation in Health Psychology and Community Intervention

Principal subjects/occupational skills covered Promotion and health maintenance , prevention and treatment of disease, analysis and improvement of the health care system and health policy formation.

Name and type of organisation providing education and training Universidade Fernando Pessoa , Porto

Level in national and/or international classification Overall grade point average of 16

Dates 1995 - 1999

Title of qualification awarded Licenciante degree

Principal subjects/occupational skills covered Development and implementation of specific observation, diagnosis, and assessment methods in learning disorders, either individually, group or institutional. Development and application of psycho-pedagogical techniques and programs to people with physical and menthals illnesses and /or disabilities.

Name and type of organisation providing education and training Universidade Moderna de Lisboa

Level in national and/or international classification Overall grade point average of 14

Complementary studies and training

Area of Complementary Studies **Methodology and Statistics**

Dates July 14 –July 29, 2012

Title of qualification awarded Advanced statistical methods for data analysis - Multilevel Analysis

Principal subjects/occupational skills covered Using multilevel models to analyze couple and family treatment data: Basic and advanced issues

Name and type of organisation providing education and training Instituto de Ciências Sociais da Universidade de Lisboa

Dates July 19 – July 21, 2010

Title of qualification awarded Advanced Data Analysis Course

Principal subjects/occupational skills covered Development and evaluation of measuring instruments and analysis of mediating /moderating effects

Name and type of organisation providing education and training Instituto de Ciências Sociais da Universidade de Lisboa

Dates January 4 – 5, 2010

Title of qualification awarded	Intensive Seminar on "Writing and publishing in scientific Journals"
Principal subjects/occupational skills covered	Optimizing scientific writing in articles and presentations
Name and type of organisation providing education and training	ISCTE-IUL
Dates	March 14 – March 16, 2010
Title of qualification awarded	Intensive Seminar on Multiple Correspondence Analysis
Principal subjects/occupational skills covered	Using MCA for nominal categorical data to detect and represent underlying structures in a data sets.
Name and type of organisation providing education and training	ISCTE-IUL
Dates	November 12 – November 27, 2009
Title of qualification awarded	Intensive Seminar on Moderation and mediation in structural equation modeling
Principal subjects/occupational skills covered	Using structural equation models to statistically specify and test causal processes
Name and type of organisation providing education and training	ISCTE-IUL
Dates	March 29-30, 2010
Title of qualification awarded	Intense Seminar on Experimental methods in Research
Principal subjects/occupational skills covered	Using Experimental approach in Psychological research
Name and type of organisation providing education and training	ISCTE-IUL
Dates	May 12 – 14 June, 2009
Title of qualification awarded	Intense Seminar on Linear Models II - Multiple Linear Regression
Principal subjects/occupational skills covered	Specifying and testing linear relationships between dependent variables and n independent variables
Name and type of organisation providing education and training	ISCTE-IUL
Dates	April 2 – 3, 2009
Title of qualification awarded	Intense Seminar on Experimental Design and Programming
Principal subjects/occupational skills covered	Creating and Optimizing of Experimental Designs through DMDX and Authorware Software
Name and type of organisation providing education and training	ISCTE-IUL
Dates	May 12 – 14 June, 2009
Title of qualification awarded	Intense Seminar on Linear Models I: n-way ANOVA and n-way MANOVA
Principal subjects/occupational skills covered	Hypothesis Testing in the Linear Models through Univariate and Multivariate procedures
Name and type of organisation providing education and training	ISCTE-IUL
Dates	January 15-22
Title of qualification awarded	Intense Seminar on "Creating and applying correlational and experimental studies through E-PRIME2"
Principal subjects/occupational skills covered	Creation and application of controlled experiments in E-PRIME2
Name and type of organisation providing education and training	ISCTE-IUL
Area of Complementary Studies	Eye tracking/ Psychophysiology
Dates	November 12, 2012
Title of qualification awarded	Advanced Course on Eye tracking and biosignals integration methods

Principal subjects/occupational skills covered	Preparing, Optimizing and Synchronizing eye movement recording with other peripheral and central psychophysiological measures
Name and type of organisation providing education and training	ULHT
Dates	November 12, 2012
Title of qualification awarded	Advanced Course on "Eye tracking glasses and new analysis approach"
Principal subjects/occupational skills covered	Portable eye movement recording and EEG Synchronization
Name and type of organisation providing education and training	ULHT
Dates	November 11-12, 2008
Title of qualification awarded	Intensive seminar on eye tracking methods for research in Psychology
Principal subjects/occupational skills covered	Using eye tracking and gaze tracking to make inference on emotional and cognitive processes.
Name and type of organisation providing education and training	ISCTE-IUL
Area of Complementary Studies	Psychotherapy/ Pedagogy
Dates	Abril 28 - June 30, 2007
Title of qualification awarded	Postgraduate Course in Psychological Assessment in Childhood and Adolescence
Principal subjects/occupational skills covered	Clinical interview in child and adolescent mental health practice Developmental instruments Graph-perceptual instruments Expressive techniques Erojective techniques Neuropsychological assessment Case-Study
Name and type of organisation providing education and training	Universidade Lusófona de Humanidades e Tecnologias em Lisboa
Dates	November 29- November 30, 2002
Title of qualification awarded	Postgraduate Course on Sexuality
Principal subjects/occupational skills covered	Identify socio-cultural factors in a historical context, correlating them with major sexual dysfunctions. Understanding the interference of organic and psychological functions in sexuality. Contact with current treatments for sexual dysfunctions .
Name and type of organisation providing education and training	Faculdade de Medicina de Lisboa
Dates	December 3 - December 21, 2001
Title of qualification awarded	Course in Emotional Intelligence
Principal subjects/occupational skills covered	Identifying the characteristics of emotional intelligence augmenting the communication sucess and conflict management
Name and type of organisation providing education and training	Nova Etapa - Consultores em Gestão e Recursos Humanos
Dates	November 9 - November 29 , 2001
Title of qualification awarded	Course in Oral communication techniques
Principal subjects/occupational skills covered	Identifying and understanding the personal style of communicating, developing skills, techniques and strategies to establish an effective communication
Name and type of organisation providing education and training	Área Pedagógica - Consultoria, Recursos e Formação, Lda.
Dates	October 16 - November 8, 2001
Title of qualification awarded	Course in Health and Safety at Work
Principal subjects/occupational skills covered	Identifyin key security issues and hygiene at work; application and enforcement of appropriate security measures
Name and type of organisation providing education and training	Nova Etapa - Consultores em Gestão e Recursos Humanos

	Dates	Abril 23 – May 25, 2001
	Title of qualification awarded	Pedagogical Aptitude training course – IEFP certified trainer (CAP)
Principal subjects/occupational skills covered		Identifying training needs and development of training plans, , monitoring the implementation of training programs with public and private entities
	Name and type of organisation providing education and training	INEPI - Instituto de Ensino Profissional Intensivo
	Dates	2001
	Title of qualification awarded	Pedagogic Training Course “O Projecto Educativo e o (Des)Envolvimento Pessoal e Social do Educador”, at
Principal subjects/occupational skills covered		Optimizing the relationship between delinquents and educators and its effects
	Name and type of organisation providing education and training	Fundação Obra do Ardina, Private Social Solidarity Institution, Lisbon
	Dates	2000 - 2001
	Title of qualification awarded	Course in Systemic Family Therapy
Principal subjects/occupational skills covered		Understanding the family as a system with specific structures and dynamics and therapeutic techniques.
	Name and type of organisation providing education and training	Sociedade Portuguesa de Terapia Familiar
	Dates	2000
	Title of qualification awarded	Postgraduate Course on Alcoholology
Principal subjects/occupational skills covered		Diagnosis and Assessment of Alcohol Use Disorders
	Name and type of organisation providing education and training	APPA (Associação Portuguesa de Prevenção do Alcoolismo)
	Dates	2000
	Title of qualification awarded	Pedagogic Training course on “A criança: agente ou reflexo, de comportamentos desviantes na sociedade”
Principal subjects/occupational skills covered		Understanding the Relationship between family/peers and juvenile delinquency
	Name and type of organisation providing education and training	Fundação Obra do Ardina - Private Social Solidarity Institution, Lisbon
	Dates	1999
	Title of qualification awarded	Pedagogic Training course on “Reflectir o Perfil do Educador em Contextos de Risco”
Principal subjects/occupational skills covered		Best practices in Risk-Contexts
	Name and type of organisation providing education and training	Fundação Obra do Ardina- Private Social Solidarity Institution, Lisbon
Area of Complementary Studies		Informatics/Programming
	Dates	October 23 – November 14, 2009
	Title of qualification awarded	Intense Seminar on Computer-mediated communication, e-groups and virtual teams
Principal subjects/occupational skills covered		Creating ,monitoring and recording group dynamics through Thinktank collaborative software.
	Name and type of organisation providing education and training	ISCTE-IUL
	Dates	2002
	Title of qualification awarded	C programming Course
Principal subjects/occupational skills covered		Creating applications in C
	Name and type of organisation providing education and training	IPFEL- Microsoft Certified Solution Provider (MCSP)
	Dates	2002

Title of qualification awarded	Web Design Course
Principal subjects/occupational skills covered	Creating web pages using Dreamweaver MX, Fireworks MX and Flash MX
Name and type of organisation providing education and training	IPFEL - Microsoft Certified Solution Provider (MCSP)
Dates	2002
Title of qualification awarded	Course in Computer Hardware, Software and Networking
Principal subjects/occupational skills covered	Assembling, maintenance, troubleshooting and optimization of hardware and software
Name and type of organisation providing education and training	IPFEL- Microsoft Certified Solution Provider (MCSP)
Dates	2002
Title of qualification awarded	Visual Basic programming course
Principal subjects/occupational skills covered	Programming and Creating applications in VB
Name and type of organisation providing education and training	IPFEL - Microsoft Certified Solution Provider (MCSP)
Dates	2001 - 2002
Title of qualification awarded	General Course in Microsoft Windows 98/2000
Principal subjects/occupational skills covered	Using Microsoft Office productivity pack (Word, PowerPoint, Excel, Access, Outlook, Internet e Multimedia) to increase labor productivity
Name and type of organisation providing education and training	IPFEL - Microsoft Certified Solution Provider (MCSP)

Social Skills and Competences Assertive, creative, good analytical skills, dynamic and team spirit

Organisational Skills and Competences

Project management skills in Informatics training.

Planning and execution of Projects on eye tracking and psychophysiology

Planning and execution of Projects in cyberpsychology

Founder and chairman of the I meeting on cognitive oculometry at Universidade Lusófona de Humanidades e Tecnologias, Lisbon, 2015

Organizing committee of the XIX INFAD Congress . “La psicología en un mundo en cambio y crisis: Propuestas de intervención”, at Universidade Lusófona de Humanidades e Tecnologias, Lisbon, 2012

General Secretary of the 3rdInternational Conference on Eyetracking, Visual Cognition and Emotion na Universidade Lusófona de Humanidades e Tecnologias, Lisbon, 2012

General Secretary of the 2nd International Conference on Eyetracking, Visual Cognition and Emotion na Universidade Lusófona de Humanidades e Tecnologias, Lisbon, 2011

General Secretary of the 1st International Conference on Eyetracking, Visual Cognition and Emotion na Universidade Lusófona de Humanidades e Tecnologias, Lisbon, 2010.

Organizing committee of the Conference “Psychology in the XXI century: the importance of new technologies at Universidade Lusófona de Humanidades e Tecnologias, Lisbon., 2010

Organizing member of the research cluster “Quality of social life: health, environment and the community “ (HEC), Lisbon , 2010

Organizing committee of the International Congress in Criminal Psychology and Deviant Behavior at Universidade Lusófona de Humanidades e Tecnologias, Lisbon, 2006

Organizing committee of the 4th Symposium on Sexology at Universidade Lusófona de Humanidades e Tecnologias, Lisbon, 2006

Computer Skills and Competences

Advanced knowledge on hardware (assembling, tweaking, maintenance, computer repairing e network configuration (cable and wireless). Advanced knowledge on

Solid knowledge on video capture and editing (Magix Movie Edit Pro 12 TM, Adobe Premiere Pro TM, Camtasia TM;

Intermediate knowledge in animation / 3D modeling (3D Studio Max TM; Milkshape TM, Poser TM; MotionBuilder TM);

Solid knowledge in processing and image edition (Adobe Photoshop & JASC PaintShop Pro);

Basic knowledge on virtual world construction (Virtools Dev 4.0 TM and Valve Hammer Editor TM);

Intermediate knowledge on InfoPath, HTML and webdesign (macromedia);

Advanced knowledge on Statistical Analysis Software (SPSS, STATISTICA, STATA, R and AMOS) and Elementary knowledge on HLM;

Advanced knowledge on SUPERLAB, E-PRIME and E-PRIME2, Tobii Studio (eye-tracking); Authorware (digital questionnaires),

Advanced knowledge on GoogleDocs and Qualtrics (Online Surveys).

Intermediate knowledge on Comprehensive meta-analysis software

Intermediate knowledge on SQP (quality prediction in measuring instruments)

Awards/Distinctions

- 2015- Scientific Production Prize of 3580 euro awarded by the IUL-ISCTE.
- 2013- Scientific Production Prize of 100 euro awarded by the Social Intervention and Research Centre
- 2012- Scientific Production Prize of 850 euro awarded by the Social Intervention and Research Centre
- 2011- Scientific Production Prize of 1250 euro awarded by the Social Intervention and Research Centre.
- 2008 - PhD grant from the Fundação para a Ciência e a Tecnologia of Portugal, FCT-MCTES (SFRH /BD/46965/2008).

Advanced training

- 2015 – Course on psychophysiological and eye movement recording (32 hours), at Momentum, Centurion, Pretoria, South Africa.
- 2015 – Course on low-cost eye tracking through the eye tribe and OGAMA (20 hours), at INOVA, Campinas, São Paulo, Brazil
- 2015 – Course on biostatistics with IBM SPSS and Scientific Writing (8 hours), at Hotel Tivoli Oriente, Lisbon
- 2015 – Course on biostatistics with IBM SPSS (8 hours), at Novartis, Porto Salvo, Oeiras.
- 2015 – Advanced course on Psychophysiological recording with BITALINO and EMOTIV EEG(8 hours), at Universidade Lusíada, Porto. March
- 2014 - Introductory course to MailJet (cloud mailing) and Adobe Photoshop (16 hours) at Associação Comercial e Empresarial dos Concelhos de Oeiras e Amadora (ACECOA), Algés. Lisbon.
- 2014 - Advanced course on Statistics on sample size calculation through G-Power and Logistic Regression, promoted by Eurotrials- Scientific Consultants, at Pharmacy Faculty of Lisbon, Lisbon
- 2014 – A postgraduate module on Neurosensory Studies in Neuromarketing (7 hours), at Porto Antas Hotel, Oporto., January 31.
- 2013 – A postgraduate module on Eye tracking and experimental methodologies in Neuromarketing (8 hours), at Psico&SomaTelheiras, Lisbon. December 13
- 2013 – A postgraduate module on Eye tracking and experimental methodologies in Neuromarketing (8 hours), at Porto Antas Hotel, Oporto. November, 23
- 2013 – PhD Seminar on Eye tracking and Psychophysiology (in spanish - 35 hours), at Universidad de San Buenaventura, Medellín, Colombia.
- 2013 – Introductory course on Eye tracking (8 hours) within the summer school on “Formação Avançada em Métodos de Investigação em Ciências da Comunicação (2013)”, at ULHT, Lisbon.
- 2012 - Advanced course on Statistics with SPSS (18 horas), at the Instituto de Gestão Financeira da Segurança Social (IGFSS), Lisbon.

2012 - Advanced course on Eye tracking and Psychophysiology (31 hours), at ULHT, Lisbon.

2012 - Course on Statistics: EFA with SPSS and AMOS (8 hours) within the summer school on "Formação Avançada em Métodos de Investigação em Ciências da Comunicação (2012)", at ULHT, Lisbon

2012 - Short Course on Eye tracking applied to Usability evaluation" (4 hours), at ULHT, Lisbon.

2012 - Course on Statistics: EFA with SPSS and AMOS (8 horas) within the summer school on "Formação Avançada em Métodos de Investigação em Ciências da Comunicação (2012)", at ULHT, Lisbon

2012 – PhD Seminar on Eye tracking and Psychophysiology (in spanish - 35 hours), at Universidad de San Buenaventura ,Medellín, Colombia.

2011 - Advanced course on Pupillary response (5 hours), at ULHT, Lisbon.

2010 - Course on Statistics with SPSS (30 hours), at ULHT, Lisbon.

Invited Speaker

2015 - IV Fórum De Psicologia da Universidade da Beira Interior with the lecture "Terapia da Realidade Virtual para veteranos de Guerra com PTSD?", March, 3-5, UBI, Covilhã, Portugal.

2015 – II Jornadas – Investigação em Psicologia – ISMAT with the lecture on "Índices oculares e psicofisiológicos do processamento não-consciente de informação visual biologicamente relevante, January 9-10, Portimão, Portugal.

2015 - VI Jornadas de Neurofisiologia, with the lecture on "Correlatos oculares e psicofisiológicos no processamento não-consciente de informação visual relevante: potenciais aplicações na área da neurociência do consumo" , May 17, ESTSP-IPP auditorium, Gaia.

2014 - VI Jornadas de Neurofisiologia, with the lecture on "Correlatos oculares e psicofisiológicos no processamento não-consciente de informação visual relevante: potenciais aplicações na área da neurociência do consumo" , May 17, ESTSP-IPP auditorium, Gaia.

2011 - I Conference on Relational Marketing, with a lecture on "Olho, logo Compro. O eye tracking ao serviço do Marketing" at IPL, Leiria. November 25.

2011 - I Congresso Internacional de Investigação em Psiquiatria e Neurociências" with a lecture on "Eye-tracking...Ai que emoção", at the Centro de Artes de Sines, Sines. June 2-4.

2011 –the VI Congresso Internacional de Neurociências e Educação Especial with a lecture on " Como neuroeducar o medo?" at the Auditório do Centro Sócio-Pastoral da Diocese de Viseu, Viseu. May 13-14.,

2010 –Congress on Education "Escola de Risco...a Linha da Educação", with a lecture on " Eyetracking: definição e aplicações na área da educação, at the Auditório da Escola Profissional Agrícola e Desenvolvimento Rural, Vagos. November 24.

2010 –Seminar in Marketing, with a lecture on " Eyetracking: definição e aplicações na área de Marketing, at IPL, Leiria. November 19.

2010 –Meeting da Sociedade Portuguesa de Psicossomática , with a lecture on "Contributos das novas metodologias na investigação da Percepção e Atenção", at LX FACTORY, Lisbon, May 18.

2010 –the V International Congress on Neuropsychology and Education , with a lecture on " How does the brain recognize threatening stimuli?" at Aula Magna do IPV, Viseu. May 14-15.

2009 – Medical Seminar "Tratamento de Perturbações de Ansiedade pela realidade Virtual", at faculdade de Ciências da Saúde - U.B.I, Covilhã. December 10.

2007- III Psychiatry National Congress with a lecture on "A Realidade Virtual no Tratamento das Perturbações Ansiosas" at Centro de Congressos do Estoril, Estoril. November 14-16

2006 -Workshop "Percurso, Cursos e Profissões", at Escola Secundária do Lumiar nº1, Lisbon. March 9.

Attended conferences

- 2015 – Oral presentation in the XIII Encontro Luso-Brasileiro e XV Congresso Nacional da SPGPAG entitled “Do pequeno ao médio. A análise conteúdo como estratégia metodológica clínica-qualitativa de grupos psicoterapêuticos de média dimensão.”, 29-31 October, Fundação Cidade de Lisboa, Lisbon, Portugal.
- 2015 – Oral presentation in 3rd International Workshop on ICTS for Improving Patients Rehabilitation Research Techniques entitled “Show me your eyes! The combined use of eye tracking and virtual reality applications for cognitive assessment”, 1-2 October, at ULHT, Lisbon, Portugal.
- 2015 – Oral presentation in C-brains at Copelabs entitled “From eye to mind: the use of eye tracking in the study of emotional attention and potential applications beyond the psychological boundaries”, June 23, at ULHT, Lisbon, Portugal.
- 2015 – Oral presentation in I Meeting on Cognitive Oculometry entitled “Eye tracking or Oculometry? Definition and Contextualization.”, May 16, at ULHT, Lisbon, Portugal.
- 2015 – Oral presentation in I Meeting on Cognitive Oculometry entitled “Processo Criativo, pupilometria e estados de humor. Qual a relação?.”, May 16, at ULHT, Lisbon, Portugal.
- 2015 – Oral presentation in I Meeting on Cognitive Oculometry entitled “Tristeza positiva: o efeito das emoções induzidas por excertos musicais na resposta comportamental e pupilar numa tarefa de memória de reconhecimento.”, May 16, at ULHT, Lisbon, Portugal.
- 2015 – Oral presentation in I Meeting on Cognitive Oculometry entitled “O tamanho conta? Insights sobre a leitura do consentimento informado: um estudo com eye tracking”, May 16, at ULHT, Lisbon, Portugal.
- 2015 – Oral presentation in I Meeting on Cognitive Oculometry entitled “O que dizem os teus olhos?O contributo do Eye Tracking nas inferências sobre a intenção de voto”, May 16, at ULHT, Lisbon, Portugal.
- 2015 – Poster presentation in X Meeting of the Portuguese Association for Experimental Research Meeting (APPE 2015) entitled “Positive sadness: the effect of emotions induced by musical excerpts in behavioral and pupillary responses during a recognition memory task”, April 17-18, Faro, Portugal
- 2015 – Oral presentation in X Meeting of the Portuguese Association for Experimental Research (APPE 2015) entitled “Resistance To Change: (Non) Extinction Of Fear-Relevant Subliminal Stimuli After Supraliminal Pavlovian Fear Conditioning .”, April 17-18, Faro, Portugal.
- 2015 – Poster presentation in X Meeting of the Portuguese Association for Experimental Research Meeting (APPE 2015) entitled “Positive sadness: the effect of emotions induced by musical excerpts in behavioral and pupillary responses during a recognition memory task”, April 17-18, Faro, Portugal.
- 2015 – Poster presentation in X Meeting of the Portuguese Association for Experimental Research Meeting (APPE 2015) entitled “O efeito da indução de estados de humor com recurso à exposição continuada de imagens valenciadas, no processo criativo.”, April 17-18, Faro, Portugal.
- 2015 – Poster presentation in X Meeting of the Portuguese Association for Experimental Research Meeting (APPE 2015) entitled “Avaliação do efeito do *power coffee* na resposta afectiva e autonómica: estudo comparativo entre 3 blends de café”, April 17-18, Faro, Portugal.
- 2015 – Poster presentation in X Meeting of the Portuguese Association for Experimental Research Meeting (APPE 2015) entitled “O contributo do eye tracking (ET) na compreensão das inferências de personalidade através da aparência, em contexto eleitoral”, April 17-18, Faro, Portugal.
- 2015 – Oral presentation in the IV Fórum De Psicologia da Universidade da Beira Interior entitled “Terapia da Realidade Virtual para veteranos de Guerra com PTSD?”, March, 3-5, UBI, Covilhã, Portugal.
- 2015 – Oral presentation in the II Jornadas – Investigação em Psicologia – ISMAT, entitled “Índices oculares e psicofisiológicos do processamento não-consciente de informação visual biologicamente relevante, January 9-10, Portimão, Portugal.
- 2014 – Oral presentation in the Annual Scientific Meeting of the International Society of Political Psychology (ISPP 2014) entitled “Appearance-based trait inferences in a political candidate evaluation: Can the eye-tracking tell the tale?”, July 4-7, Rome, Italy.
- 2014 – Poster presentation in the ESCAN 2014 – European Society for Cognitive and Affective Neuroscience with the tile “Resistance To Change: (Non) Extinction Of Fear-Relevant Subliminal Stimuli After Supraliminal Pavlovian Fear Conditioning”, May 7-10, Dortmund, Germany.
- 2013 - Oral presentation in the 13th European Congress of Psychology, entitled “Looking for the Snake That Was There: an Eye-tracking Study with Subliminally Presented Stimuli”, at Stockholmsmässan, Stoccolm. July 11-12.2013 - Poster presentation in the VIII Simpósio Nacional de Investigação em Psicologia, entitled “Fear-relevant gradual change detection in snake-fearful and non-fearful participants: can threat be predicted by spatial fixation density?”, at Universidade de Aveiro, Aveiro. June 20.
- 2013 – Oral presentation in the VIII Simpósio Nacional de Investigação em Psicologia, entitled “À procura do efeito “filo”: reactividade pupilar como medida de activação fisiológica do medo na apresentação subliminar de estímulos biologicamente relevantes”, at Universidade de Aveiro, Aveiro. June 20-22.

Attended conferences

- 2012 - Oral presentation in the II Internacional Conference ETVCE 2012, entitled "What women want: Comparing visual attention of female with male consumers in product choice", at ULHT, Lisbon, November 24-25
- 2012 - Oral presentation in the II Internacional Conference ETVCE 2012, entitled "Effects of brief directional cueing on visual threat detection", at ULHT, Lisbon, November 24-25.
- 2012 – Oral presentation in the XIX Congresso INFAD, entitled "Perfilamento do melhor utilizador para sistemas imersivos de realidade virtual", at ULHT, Lisbon. April 11-13.
- 2012 - Oral presentation in the VII National Meeting of Associação Portuguesa de Psicologia Experimental, entitled "Reactividade pupilar como indicador de activação fisiológica a estímulos de medo filogeneticamente relevantes", at FPUL, Lisbon. March 16 – 17.
- 2012 - Poster presentation in the VII National Meeting of Associação Portuguesa de Psicologia Experimental, entitled "Correlatos afectivos e fisiológicos na percepção de estímulos bimodais incongruentes", at FPUL, Lisbon. March 16 – 17.
- 2011 – Oral presentation in the II Internacional Conference ETVCE 2011 , entitled "Don't talk just look: The eye-tracking study on consumer nondurables", at ULHT, Lisbon, November 11-12.
- 2011 - Oral presentation in the II Internacional Conference ETVCE 2011, entitled "Pupil dilation to erotic stimuli: does color matter?", at ULHT, Lisbon, November 11-12.
- 2011 - Oral presentation in the II Internacional Conference ETVCE 2011 com o tema "Erotic images at a glance: can pupil dilation tell the tale on gender difference?", at ULHT, Lisbon, November 11-12., em Lisboa.
- 2011 - Oral presentation in the II Internacional Conference ETVCE 2011 , entitled "Interhemispheric processes of word recognition: Pupil dilation as an estimate of memory strength ", at ULHT, Lisbon, November 11-12.
- 2011 - Oral presentation in the II Internacional Conference ETVCE 2011, entitled "The role of alcohol consumption on picture processing speed: Comparative study between creative and uncreative images ", at ULHT, Lisbon, November 11-12.
- 2011 - Oral presentation in the II Internacional Conference ETVCE 2010, entitled "Affective and physiological correlates on perception of incongruent emotional bimodal stimuli: an eye tracking study", at ULHT, Lisbon, November 11-12.
- 2011 - Oral presentation in the VI International Phd meeting in Social and Organizational Psychology , entitled "Pupillary reactivity as a measure of fear arousal to subliminally presented phylogenetically fear-relevant stimuli "at ISCTE, Lisbon. May 19-20.
- 2011 - Poster presentation in the VI Encontro Nacional da Associação Portuguesa de Psicologia Experimental com o tema "PTSD old war veterans: a clinical controlled pilot study at UC, Coimbra. March 24-25
- 2011 - Poster presentation in the VI Encontro Nacional da Associação Portuguesa de Psicologia Experimental com o tema "Immersion And Cybersickness: Profiling The "Best" Users For Head Mounted Display Based Immersive Virtual Reality System", at UC, Coimbra. March 24-25.
- 2011 – Poster presentation in the VI Encontro Nacional da Associação Portuguesa de Psicologia Experimental, entitled "Attentional Orienting to biologically fear-relevant stimuli: data from eye tracking using the continual alternation flicker paradigm ", at UC, Coimbra. March 24-25.
- 2010 – Participation in the Conference "Expressions of emotion: facts and questions", at ISCTE, Lisbon. November 11.
- 2010 – Participation in the Conference "Virtual Reality as a Tool for Behavioral Research", at ICS, Lisbon. November 5.
- 2010 – Participation in the Conference "The psychological construction of emotion", at ISCTE, Lisbon. November 4.~
- 2010 – Oral presentation in the I Internacional Conference ETVCE 2010, entitled "Why women choose differentially their goods? Is the ovulatory cycle associated with preference?", at ULHT, Lisbon, October 14-15.
- 2010 – Oral presentation in the I Internacional Conference ETVCE 2010, entitled "Detection of biologically relevant stimuli: data from eye tracking using the flicker paradigm", at ULHT, Lisbon, October 14-15.
- 2010 – Oral presentation in the I Internacional Conference ETVCE 2010, entitled "Virtual Reality Exposure on Nicotine Craving", at ULHT, Lisbon, October 14-15.
- 2010 – Oral presentation in the I Internacional Conference ETVCE 2010, entitled "Hemispheric asymmetries in recognition memory for negative and neutral words", at ULHT, Lisbon, October 14-15.

Attended conferences

- 2010 – Oral presentation in the I Internacional Conference ETVCE 2010, entitled “Eye gazing at erotic images: does sex still counts for?”, at ULHT, Lisbon, October 14-15
- 2010 – Oral presentation in the I Internacional Conference ETVCE 2010, entitled “VR serious games with IGA: can the eye-tracking be used as a control measure for presence?”, at ULHT, Lisbon, October 14-15
- 2010 – Oral presentation in the I Internacional Conference ETVCE 2010, entitled “Grabbing attention while reading on website pages: the influence of verbal emotional cues in advertising”, at ULHT, Lisbon, October 14-15.
- 2010 –Poster presentation in the 50 th Annual Meeting of Society for Psychophysiological Research , entitled “Attention And Physiological Responses To Biologically Relevant Stimuli: An Eye-Tracking Study Using Subliminal Procedures”, Portland, USA. September 29 – October 3.
- 2010 – Oral presentation in the VIII Congresso Internacional de la Sociedad Española para el estudio de la Ansiedad y el Estrés, entitled “ Exposición Subliminal a serpientes: efectos en la atención y dilatación pupilar, at Hotel Meliá Valencia Palace, Valencia, Spain. September 16-18.
- 2010 - Participation in the VIII Congresso Internacional de la Sociedad Española para el estudio de la Ansiedad y el Estrés, at Hotel Meliá Valencia Palace, Valencia, Spain. September 16-18.
- 2010 – Oral presentation in the VII Congresso de la Sociedad Española de Psicofisiología Y Neurociencia Cognitiva y Afectiva , entitled “Subliminal exposure to biologically relevant stimuli:effects on attention and pupil dilation”, at Universidad de Valencia, Spain. September 15-18.
- 2010 - Participation in the VII Congresso de la Sociedad Española de Psicofisiología Y Neurociencia Cognitiva y Afectiva, at Universidad de Valencia, Spain. September 15-18.
- 2010 – Oral presentation in the 2010 Research Seminars, entitled “Attentional Processes and Physiological Response to Subliminal Biologically Relevant Stimuli: an eye tracking study” , at ISCTE, Lisbon. May 27-28
- 2010 – Oral presentation in the V National Meeting da Associação Portuguesa de Psicologia Experimental entitled “Processos atencionais e resposta fisiológica na *exposição subliminar a estímulos biologicamente relevantes: um estudo com eye-tracking*” at Universidade do Minho, Braga. March 26-27.
- 2010 - Participation in the V National Meeting da Associação Portuguesa de Psicologia Experimental, at Universidade do Minho, Braga. March 26-27.
- 2010 - Participation in the Conference “Psicologia no século XXI, importância das novas tecnologias” at Universidade Lusófona de Humanidades e Tecnologias, Lisbon. March 24
- 2010 –Oral presentation in the VII National Symposium in Psychological Research entitled “Exposição subliminar a estímulos biologicamente relevantes: efeitos na resposta pupilar” at Universidade do Minho, Braga. February 4-6.
- 2010 - Participation in the VII National Symposium in Psychological Research at Universidade do Minho, Braga. February 4-6.
- 2010 – Oral presentation in the Tobii Eyetracking Conference on Psychology and Linguistic Research entitled “The Effect of Subliminal Exposure to Biologically Relevant Stimuli on Pupillary Response: an eye-tracking study”, Copenhagen, Denmark. January 25 – 26
- 2009 - Participation in the VII Forum “Hospital do Futuro” at Hotel Villa Rica, Lisbon. November 9.
- 2009 –Poster presentation in the 49th Annual Meeting of Society for Psychophysiological Research com o tema “Effects of subliminal exposure to biologically relevant stimuli on affective and physiological states”, Berlin, Germany. October 21-24.
- 2009 – Poster presentation in the II Conference on "Emociones y Bienestar" & XVI Reunión Anual de la SEAS entitled “Exposición subliminar a estímulos biológicamente relevantes y sus efectos en la respuesta pupilar”, Madrid, Espanha. October 1-3
- 2009 – Participation in the Conference “Emociones positivas” at ISCTE, Lisbon. June
- 2009 – Participation in the Conference “Four-factor theory and the anxiety disorders”, at ISCTE, Lisbon. May 24.
- 2009 – Participation in the Conference “Are there Human pheromones?” at ISCTE, Lisbon. May 22.
- 2009 – Participation in the Conference “Neurobiology of fear ”, at ISCTE, Lisbon. May 19.
- 2009 – Participation in the Conference “La defensa cardiaca de la atención a la acción” at ISCTE, Lisbon. April 24.

Attended conferences

- 2009 – Participation in the 2nd International Seminar “Ergonomics in design” at Faculdade de Motricidade Humana, Cruz Quebrada. May 18.
- 2009 – Poster presentation in the 4th National Meeting of Associação Portuguesa de Psicologia Experimental entitled “Exposição subliminar a estímulos biologicamente relevantes no estado afectivo e fisiológico” at ISPA, Lisbon. April 17.
- 2009 - Participation in the 4th National Meeting of Associação Portuguesa de Psicologia Experimental, at ISPA, Lisbon. April 17-18.
- 2009 - Participation in the III Internacional Congress on Educational Psychology at Universidade Lusófona de Humanidades e Tecnologias, Lisbon. April 2-3.
- 2009 – Participation in the Conference “Atención Automática a Estímulos Emocionales” at ISCTE, Lisbon. March 20.
- 2009 – Oral presentation in the Psychology Research Seminar entitled “Effects of repeated subliminal exposure to biologically relevant stimuli on emotional states” at ISCTE, Lisbon. February 14.
- 2007 – Participation in the Seminar on Clinical Psychology: “A Entrevista Clínica” at Universidade Lusófona de Humanidades e Tecnologias, Lisbon. January 12.
- 2006 - Participation in the 1st Symposium "Perturbação Pós-Stress Traumático" at NERPOR auditorium Portalegre. February 17.
- 2006 – Participation in the Seminar on Clinical Psychology: “O que é, e o que será?” at Universidade Lusófona de Humanidades e Tecnologias, Lisbon. November 25.
- 2006 - Participation in the 4th Symposium on Sexology at Universidade Lusófona de Humanidades e Tecnologias, Lisbon. January 19-20.
- 2005 - Participation in the Conference on CyberPsychology "Um Admirável Mundo Novo: a Realidade Virtual no contexto da Psicologia" at Universidade Lusófona de Humanidades e Tecnologias, Lisbon. October 19.
- 2005 - Participation in the Seminar " A Psicologia na estrada: Delinquência rodoviária" at Universidade Lusófona de Humanidades e Tecnologias, Lisbon. June 16.
- 2005 – Participation in the Congress “Temas Candentes em Psicologia do Desenvolvimento” at Hotel Altis, Lisbon.
- 2005 – Participation in the Conference “Avaliação Psicológica em Contexto Forense” at Universidade Lusófona de Humanidades e Tecnologias, Lisbon.
- 2005 Participation in Seminar “Perspectivas em Etologia I” at Universidade Lusófona de Humanidades e Tecnologias, Lisbon.
- 2003 – Participation in the Conference “ Psicologia e Educação” Universidade Lusíada do Porto, in Oporto.
- 2003 – Participation in the Conference “Comportamento, Economia e Sociedade” at Universidade Lusíada do Porto, Oporto.
- 2002 – Participation in the I Meeting Luso-Espanhol de Psicologia da Saúde at Universidade Lusíada do Porto, Oporto.
- 2002 – Participation in the I Symposium “Lusíada da Cognição” at Universidade Lusíada do Porto, In Oporto.
- 2001 – Participation in the IV Meeting Luso-Espanhol de Psicologia Social, at Universidade Lusíada do Porto, Oporto.
- 2000 – Participation in the II Congress of APPA (Associação Portuguesa de Prevenção do Alcoolismo), Lisbon.
- 2000 – Participação in the IV Seminar of “Pedagogia terapêutica (agressividade, hiperactividade e inibição)” organized by PSICOAP, Leiria.
- 1998 – Participation in the IV Congresso Galaico-Português de Psicopedagogia at Universidade do Minho, Minho.
- 1996 – Participation in the I Workshop “Psicopedagogia Curativa” at Hotel Atlântico, Lisbon.

Co-supervision of Doctoral
Theses

Thesis title: El efecto de las variables valencia emocional y tiempo de exposicion en la consolidacion de la memoria implicita mediante el uso de un paradigma de priming perceptual by Javier Polo. Department of Psychology (Universidad de San Buenaventura, Medellin, Colombia) Supervisor: Henry Castillo, PhD., Co-Supervisor, Pedro J. Rosa, PhD.

Thesis title: A psicoterapia de grupo de base grupalitica em contexto hospitalar e privado em Portugal: prevalência e caracterização. O efeito da dimensão do grupo na eficácia psicoterapêutica. Faculty of Medical Sciences (Universidade Nova de Lisboa) Supervisor: Graça Cardoso, PhD., Co-Supervisor, Pedro J. Rosa, PhD.

Thesis title: "Efecto de la Orientación Gravitacional del Cuerpo sobre la Modulación semántica de la percepción visual, bajo un paradigma de figuras biestables" by Guillermo Martínez, Department of Psychology (Universidad de San Buenaventura, Medellin, Colombia) Supervisor: Henry Castillo, PhD., Co-Supervisor, Pedro J. Rosa, PhD.

Co-supervision of Master
Dissertations

Dissertation Tille: Positive sadness: the effect of emotions induced by musical excerpts in behavioral and pupillary responses during a recognition memory task. I. School of Psychology and of Life Sciences (ULHT) Supervisor: Joana Rosa, PhD., Co-Supervisor, Pedro J. Rosa, PhD.
